ORDER RETURNING UNDOCKETED APPEAL

This application was electronically received by the Board of Patent Appeals and Interferences on October 27, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

APPEAL BRIEF, GROUNDS OF REJECTION

A review of the file finds that the grounds of rejection of the claims as provided in the Appeal Brief filed November 6, 2007, under the heading “Grounds of rejection to be reviewed on appeal” is unclear and/or is not consistent with the grounds of rejection of claims of record. The grounds of rejection of the claims as provided in the Appeal Brief must be consistent with the last Office action of record, including any Advisory action responsive to any after final submissions. Each Grounds of rejection to be reviewed on appeal must be identified.

A review of the last Office action, including any mailed Advisory Action(s) finds that claim 6 is rejected under 35 U.S.C. § 103(a) and claims 13 and 14 are rejected under 35 U.S.C. § 103(a); whereas Appellants have not indicated the grounds of rejection of these claims. Correction of the Grounds of rejection to be reviewed on appeal for all claims is required.

APPEAL BRIEF, ARGUMENTS

A review of the file finds that the arguments with respect to each grounds of rejection as provided in the Appeal Brief filed November 6, 2007, under the heading “Argument” has not been clearly provided. Each grounds of rejection must be treated under a **separate heading** in accordance with 37 CFR 41.37(c)(1)(vii). Any claim argued separately should be placed under a subheading identifying the claim by number. Claims argued as a group should be placed under a subheading identifying the claims by number.

Appellant has not provided the necessary headings and/or subheadings for arguments which correspond to each grounds of rejection. *See also*

Manual of Patent Examining Procedure (MPEP) § 1205.02 (8th ed. Rev. 6, Sept 2007) for details.

Accordingly, it is **ORDERED** that the application is returned to the Examiner:

- 1) to hold the Appeal Brief filed on November 6, 2007, defective;
- 2) notify Appellant to file a paper properly addressing the Grounds of rejection of all claims;
- 3) notify Appellant to file a paper properly presenting the arguments for each grounds of rejection as required;

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
